Kitchens that inspire

Here's How to take on a project without taking on the worry.

Schedule an in-home or in-store consultation with Home Installs and let us do the work for you.

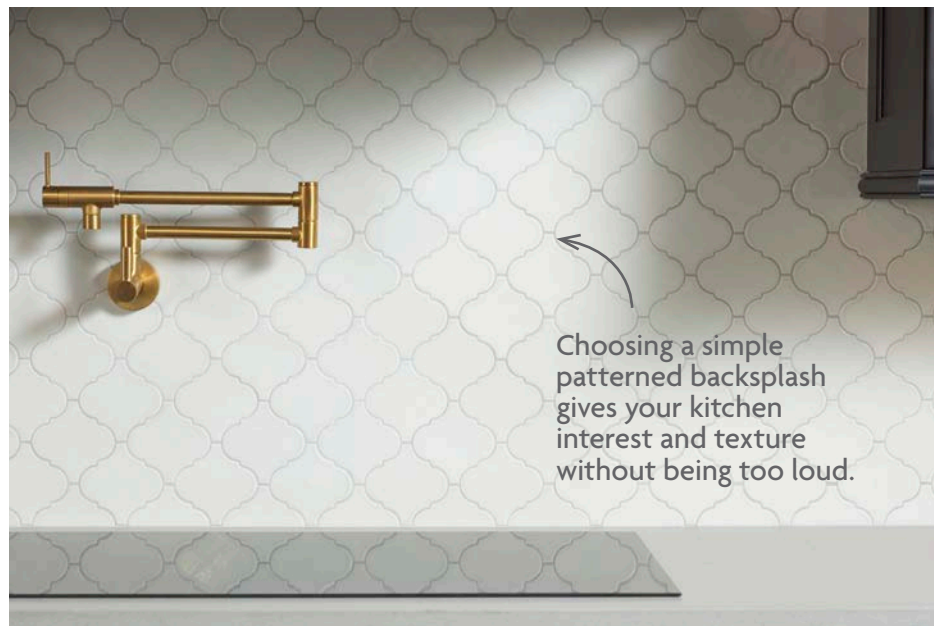

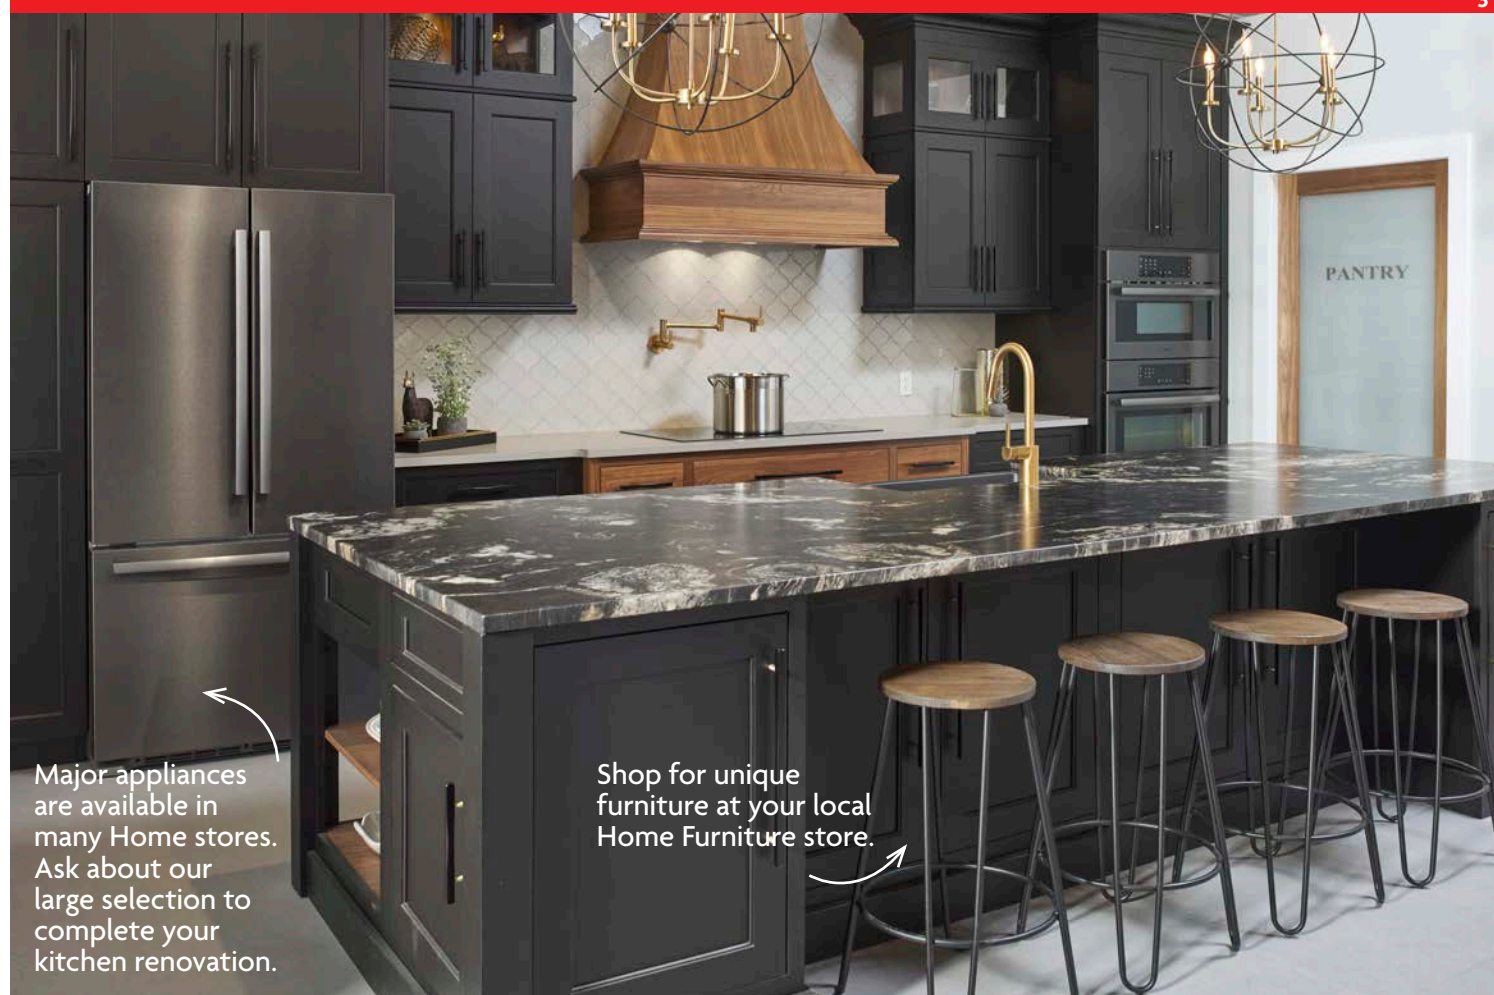

We're here to help.

A beautiful kitchen is the heart of your home, the place where friends and family come together and share life's moments. Your Home Installs project expert will help you make the right design and product decisions based on your ideas and budget.

More than just a kitchen.

From wet bars to kitchen pantries, we can help with so much more than just your main eating area. Talk to one of your local Home Installs Kitchen Designers at participating Home stores. We can help you plan, design and install your dream space. It all starts at homehardware.ca/home-installs

Find it all in one location.

Selecting the right products is easy. Cabinets, lights, sinks, faucets, countertops, backsplash, trim, and flooring; everything you need. It all starts at homehardware.ca/home-installs

We design around your lifestyle.

Let us guide you through the renovation process. Your Home Installs project professional is trained to work with you, listening to your needs and concerns, in order to design a space that lives up to your expectations. Our design services and 3D renderings are included in your project price.

Imagine storage customized exactly the way you need it!

Home Installs has the solutions you need to keep things within easy reach! With countertops cleared, closets, cupboards and shelves organized, you can quickly and easily locate whatever it is you are looking for.

Choosing wood cabinetry adds warmth to your kitchen space.

Adding open-faced storage allows you to showcase beautiful items.

Warranty on materials & labour.

We offer a one year warranty on labour plus full manufacturer warranties on materials on every project installed by Home.
